

SPECIALTY WORKWEAR

Heat & Hydration Chill-Its 6550 Head Sweatband

- » Thick, absorbent cotton terry
- » Elastic maintains snug fit
- » Versatile design
- » Durable construction
- » Long-lasting performance
- » Easy maintenance

The **Chill-Its 6550 Head Sweatband**, the ultimate solution to keep sweat at bay and maximise safety and productivity. This innovative sweatband features thick, soft terry fabric that effectively wicks away perspiration, ensuring it stays clear of your eyes and face.

Crafted from high-quality, absorbent cotton terry, this sweatband offers superior moisture management, allowing you to stay cool and comfortable even during the most intense activities. Its thick construction ensures maximum absorption, preventing sweat from interfering with your vision or causing discomfort.

Ideal for various industries, from construction and trades to maintenance and landscaping, ensuring that workers in diverse fields can benefit from its sweat-absorbing properties.

Incorporating the Chill-Its 6550 Head Sweatband into your team's work attire encourages a safety-first mindset, fostering a healthier and more productive work environment.

Pair the 6550 Head Sweatband with other products from the Chill-Its Cooling Range for a comprehensive solution to beat the heat and enhance workplace comfort.
