- » Suits over head lifting
- » Durable 900D foam laminated nylon body fabric
- » Ideal for workers in material handling, construction, warehousing, distribution, maintenance, freight and baggage, assembly and landscaping

The **Ergodyne ProFlex® 1500 Weight Lifters Style Back Support Brace** is rigid support ideal for overhead lifting. With a foam lumbar pad and a durable 900D foam laminated nylon body fabric the Ergodyne weight lifters belt offers full support to your workforce.

INSTRUCTIONS

Measure around the waist. A support should fit snugly, but not so tightly that it cannot be cinched firmly when ready to lift. Your gear will be more effective and comfortable if you choose appropriate sizes.

DIMENSIONS
Waist size ranges from 63cm-116cm
