Drop Free Zone

Squids 3114 Pull-On Wrist Tool Lanyard with Carabiner

- » Approved to the ANSI/ISEA 121-2018 standard
- » Elastic maintains snug fit
- » Pull-on design is easy to take on and off
- » One size fits all
- » Stainless steel (#304) carabiner for easy tool attachment

The **Squids 3114 Wrist Tool Lanyard** is an adjustable pull-on wrist lanyard that tethers tools limiting the distance of a dropped tool and reduces snag hazards and is the perfect solution for keeping your tools close and secure. This lanyard is made from durable polyester webbing and features an adjustable, self-closing wrist loop that fits snugly and comfortably around your wrist. The lanyard is designed to keep your tools close and secure while you work, the lanyard is also lightweight and easy to transport, making it ideal for workers on the go.

TESTED TO BE TRUSTED

All lanyards are rigorously tested and third party certified to a 1.4kg maximum capacity with a 2:1 safety factor to prevent falling objects. When working at heights, choosing the best tool tethering equipment matters because there are no second chances.

DROPPED OBJECTS STANDARD 121-2018

The ISEA/ANSI Dropped Objects Standard provides guidelines to protect workers from hazardous dropped objects. It outlines requirements for personal protective equipment, procedures, and systems to reduce the risk of injury from falling objects.
