The **Squids 3151 Coil Lanyard with Mini Adhesive Mounts** features a swivel hook on one end, a low-profile detachable loop on the other and 3 double-sided mini adhesive mounts to safely tether devices and accessories up to 0.9kg. Using high-strength and double-sided 3M VHB tape, the mini adhesive mounts easily attach to items such as cell phones, hand tools and other accessories to keep them close and ready while also preventing drops. The swivel hook end rotates 360º degrees and features a thumb action lever with spring-loaded latch for quick and snag-free attachment to belt loops, clothing, bags or wrist mounts. The micro-loop end threads through the small captive holes of the included mini adhesive mounts, with a detachable modular buckle for quick exchange. The low-profile coil design stays out of the way to reduce snag or tangle hazards.
