

HEAT MANAGEMENT

Soothing Gel

Maxiblock AloeVera Range

- » Contains natural aloe vera in a convenient pure aloe vera gel
- » Cools, moisturises and revitalises skin aggressed by sunburn, minor burns, wind, sea or other harsh conditions
- » Fast relief, helps minimise skin peeling
- » Non-greasy
- » Easily absorbed into your skin
- » Alcohol free, suitable for sensitive skin

Protect your worksite against the damaging sun.

Australian made and owned since 1979, **Maxiblock** is the sunscreen that the locals trust. We all need the best protection against the harsh sun and with the pure **Aloe Vera Soothing Gel Range**, Maxiblock have created a complete alcohol free natural moisturising gel that contains properties of the Aloe Vera plant to assist in the retention of your skin's natural moisture content. Cools, moisturises and revitalises sunburnt skin.

DIRECTIONS

Apply pure aloe vera gel liberally for quick relief from sunburn, minor burns, wind and sea exposure or irritated skin. First aid procedures to be applied to minor burns prior to usage. Please consult your healthcare practitioner should symptoms persist. Tip: Greater relief effect obtained when stored in the fridge. Store below 30C.
